Unfortunately, our food truck has broken down and won't be outside the shop this week. However, all of your food truck favourites will still be available to order inside the shop.

We're also having to cancel this week's Laksa and Tom Kha pop-up, as without the food truck we simply don't have enough prep space.

But to make up for it, we're bringing back another fan favourite... The Salmon Don!

Thank you so much for your continued support and understanding. x
